Re: Emergency Bus Routes

Columbia Parents & Guardians:

With winter weather now upon us, I am sending out a quick reminder of our *possible* emergency bus routes.

If we have to call emergency bus routes you will get a phone call that morning telling you that we are running emergency routes and it will also be announced on the Spokane news stations.

What this means to you is that all students who are not picked up on the main roads/highways will have to meet the buses where the dirt road ends and the pavement begins. (Students on Addy/Gifford Rd need to come down to Gifford Post Office.)

Examples would be

- ❖ If you live on Coyote Canyon Road, you would meet the bus at the intersection of Coyote Canyon and Mudgett Lake Road.
- ❖ If you live on Lessig Road, you would meet the bus at the intersection of Lessig Road and Springdale-Hunters Road, etc.

If there are any questions, **please feel free to call me at 722-3311.**

Thank you for your cooperation.

**Sincerely,
Adriane Piper
Transportation Supervisor**
