

# Parents!

We are so excited to have your child participating in the 2020 Read 2 Ride program.

The goal of this program is to motivate and inspire students to start reading at a young age. If your child participated in previous years, please keep reading, as we have made a few minor changes to the program. Here are a few things to keep in mind as your child begins the journey toward earning a FREE Silverwood ticket!

## How does this program work?

Your student will track 10 reading hours on paper reading logs provided by their teacher.

Once your child reads 10 hours, you must sign the bottom of their reading log.

How your child will receive their ticket:

On their reading log(s) there is the option for you to choose how you want to receive your child's ticket.

- Print Option: Coordinators/teachers print out a ticket to give to your child
- Email Option: An eTicket is sent to the email you provide on your child's paper reading log.
- *Please note you must have a Silverwood guest account associated with the email you provide before your child's teacher can email you a ticket.*
- If you do not select either option on your child's reading log, then a ticket will be printed for your child\*

We want parents to have the opportunity to be involved in this process as well, which is why we count at home reading toward earning a ticket, whether it be you reading out loud to your child, your child reading out loud to you, or your child silently reading to themselves. We encourage you to be actively involved in helping promote your child's reading!

You must initial all paper logs, for those reading sessions to count toward a free ticket to Silverwood. Reading sessions without initials will not be accepted as reading hours in the Read 2 Ride program.

If you have any questions, please contact your child's teacher or school Coordinator! Their job is to help guide you and your child through the program.

***We are so excited to promote the next generation of lifelong readers!***
