

Summer Access for Students

This summer you may access our online learning programs. Our programs are free for students.

How to access?

Go to Columbia206.com

At the top of the page is a banner of links

Click staff links

On the right hand side you will see a list.

Students will know their login information. If you have any questions please email. p.moss@columbia206.com.

Dreambox- Elementary math.

LexiaCore5- Elementary reading.

Renaissance Learning- This program is for taking Accelerated Reading quizzes and looking up books. You can also look up books at arbookfinder.com

This summer we have put together a point rewards system.

Point goals for the summer Accelerated Reading quizzes are 10, 20, 30, and 40 points. If you have completed any of these point steps, a reward party will be hosted once school is back in session.
